

**OKLAHOMA STATE UNIVERSITY
ENROLLMENT AGREEMENT FOR
SUMMER REINSTATEMENT PROGRAM
FOLLOWING ACADEMIC SUSPENSION**

- Regulation:** Only students placed on academic suspension for the FIRST TIME at the end of the spring semester are eligible for the Summer Reinstatement Program. This program offers an alternative to the reinstatement appeals process that allows a student to gain eligibility for continued enrollment in the fall semester. Course criteria for this program are summarized on the reverse side of this form. Authorization to enroll in the summer semester does not imply that a student is eligible for financial aid. A student should contact the Financial Aid Office regarding financial aid eligibility status.
- Procedure:** The student must submit this approved enrollment agreement for summer reinstatement -- including signatures of student, adviser and college Student Academic Services Director -- to the Office of the Registrar (324 Student Union) or Enrollment Services in Tulsa no later than the final enrollment day of the last summer semester.
- Please Note:** Fall and June/July registration will be cancelled if this form is not received in the Registrar's office by 5pm on Friday, May 30, 2008.

STUDENT'S ACKNOWLEDGEMENT:

To be eligible for continued enrollment in the _____ (year) fall semester, I understand that I must earn either a GPA of 2.0 or higher in the OSU _____ (year) summer term or raise my cumulative retention GPA to the minimum standard. This requirement must be achieved by enrolling at OSU and completing a minimum of six (6) semester credit hours in core academic courses that meet either general education requirements or other specified requirements for my degree program according to the course criteria summarized on the reverse side. **I must notify the Registrar's Office of any course change that deviates from the list below.** I understand that the restrictions on the reverse apply to the courses I take in this program, and that the decision regarding my eligibility for continued enrollment in the fall semester will be based on my summer term GPA or my cumulative retention GPA at the conclusion of the summer term. If I do not meet the requirement for continued enrollment in the fall semester, my record will reflect "suspension continued" at the conclusion of the summer term, and I will not be eligible to appeal for reinstatement for the fall semester.
